Digital Printing Services

From corrugated products to displays and signage, our innovative digital printer can tackle it all. Eight picoliter print heads allow for higher resolution, finer printing quality, and sharpness.

Variodrop Printing Technology allows us to print in multiple resolutions:

- 800 x 600
- 1000 x 400
- 1000 x 800

Printer Specs:

Maximum printing width 98"

Maximum board weight 110 lbs

Maximum thickness 1.5"

Digital Printing Services
