## Artwork Specifications

1. Accepted file formats: Adobe Illustrator CC (.ai or .eps) or Adobe Photoshop (.psd)
2. All fonts should be converted to outlines and all images embedded prior to submission.
3. Vector artwork is recommended for best resolution.
4. All stock photography should be licensed in highest possible resolution.
5. 100% reproduction of colors is not guaranteed.
6. PMS pantone value should be indicated for all critical colors.
7. Please make any special requests (placements, positioning, etc.) known upon artwork submission.

## Process

All orders are reviewed within 2 business days of receipt. If the artwork does not meet printing requirements, one of our representatives will contact you to make any necessary edits. Any edits made by Primex are subject to design fees. Once artwork is approved, a proof will be sent to you for approval. Production will not begin until proof has been approved.
